**Why Message of the Cross?** The Apostle wrote, "For the message of the cross is foolishness to those who are perishing, but to us who are being saved it is the power of God" (1 Corinthians 1:18). Everyone wants newness of life in Christ, but most try to do so in their own power through religiosity or spiritualistic formulas. However, the work of the cross in the believer's life is the only "God sanctioned" way. A process where the old nature must die first before the life of Christ can be formed within us. It is a process of learning to embrace moments of death to our old self, on a daily basis that allows the power of the cross to make a way for Christ to transform us, by creating and instilling Christlike character. Through this process, we become more and more infilled by the Holy Spirit. It is the message of the cross that sincere Christians must embrace, in order to walk in the resurrecting power of Christ.

### **Becoming Part of the MCCF Family**

This work is on the cutting edge of discipleship and ministry to help awaken a sleeping church, promote recovery for God's wounded, and equip believers for ministry as well as for life. The days are dark and getting darker, where persecution is not only increasing from the world, but also from other Christians who oppose sound doctrine and the truth concerning the end-of-this-age.

If you believe you are called to work in this type of end-time ministry, then let us know. We can meet with you, answer any questions, and register you for the next MCCF Team Vision Class. After you attend this class you can enroll in our Fellowship Team Member course on Thursday evenings.
